

How important is a dress code in dance class?

In addition to saving dance parents time and money, the dress code:

- 1) Helps a young dancer understand they are going to a structured class (compared to unstructured playtime).
- 2) Ensures that the clothing is not a distraction during class.
- 3) Ensures that the dancer is appropriately dressed to be necessarily covered.
- 4) Ensures that each dancer has the same style and color of shoes for on stage performances.
(all can be purchased through Stage Door at www.stagedoor-dance.com)
